Information letter

Dear Colleagues!

Asfendiyarov Kazakh National Medical University (KazNMU), within the annual celebration the “University Days” event on December 5-6, 2019 is organizing the International Scientific and Practical Conference “Pediatrics of the 21st century, modern challenges and trends”.

The program of the “University Days” includes the following:

December 5th: Opening and plenary session lead by the international speakers, prominent specialists in pediatrics. The starting session of International Scientific and Practical Conference:

- “Healthy Child - The Future of the Nation”

December 6th: The continuation of the Conference and Round tables on following topics:

- “Integration of pediatric science, education and practice”.
- “Clinical medicine: new approaches in diagnostics and management. Modern international guidelines”.

- “Modern pharmacotherapy in pediatrics”.

- “Dental health challenges and maxillofacial problems in children and teenagers in Kazakhstan”.

- “Sustainable development of primary health care”.

The final plenary session: moderators’ presentations of the Round tables’ discussion outputs, the panel discussion dedicated to the issues of further development of Pediatrics in Kazakhstan, the award ceremony and the closing ceremony of the “University Days”.

During the “University Days-2019” an exhibition of medical and pharmaceutical products on the Kazakhstan market will be held.

More than 20 partner universities of KazNMU are invited to participate to the conference, along with representatives from the Ministry of Health and the Ministry of Education and Science of Kazakhstan, pediatric scientists and clinical specialists from several countries, regional and municipal health care top managers, prominent pediatric specialists and delegates from medical universities in Kazakhstan, other stakeholders. The conference will be widely presented in the media.

The conference materials will be published in the KazNMU magazine “Vestnik”. Also, additional information on the publication you can find by clicking on the link below <https://kaznmu.kz/press/kak-razmestit-statii/>.

The conference languages: Kazakh, Russian, English. *Travel expenses are covered by a participant.*

We are pleased to invite you to participate to our Conference, which will take place in the “Concordia” theatre, the address: 151 Bogenbai Batyr Street, Almaty, Kazakhstan. To register, please, fill in and submit the attached application at spo@kaznmu.kz by 20th October. The confirmation and “University Days” program will be sent to registered applicants.

With best regards,
Rector
